Indiguity to Mr. Soule.

The story of the expulsion of Mr. Soule from the soil of France was so improbable, that we regarded it at first as a fabrication for political effect; but subsequent intelligence of an authentic character confirms the rumor of the indignity to our ambassador and our country. In the Enquirer of yesterday the circumstances of the affair were narrated in detail.

The London Times essays to justify the outrage

upon Mr. Soule in an article which we transfer to to see on "faces, limbs and actions," indented, as it our own columns; but it exhibits a feebleness and were, "I am a slave." Here the doctor gives his clumsiness in playing the apologist of Louis Napoleon, which contrasts strikingly with the power and effect with which it was wont to denounce him to " The steam tug reached the landing, and the slaves Christendom as a perjured usuper and a blood-thirsty despot.
